Message from Bob

"Summer 2005". Well no one can complain about it not being warm enough or having too much rain. I don't know whether it's getting older or the heat, but at times it seems harder to keep up.

Thanks to all the people who worked so hard to put on our club BBQ and made it a great success. Everyone had a great time! The steaks were out of this world and, best of all, it was free. Great job to all who made it happen.

August looks like a busy month with Roseneath on the 11th, Roy Thompson Hall Senior's Jubilee on the 17th, the car rally on the 25th and our regular meeting on the 10th. Plus a little golf to keep us busy!

Good luck, good health and God Bless.

Bob McMurdy

Are You an Active Member?

Are you an active member
The kind who would be missed?
Or are you just content
That your name is on the list?

Do you attend the meetings
And mingle with the flock
Or do you stay at home
And criticize and knock?

Do you take an active part
And help the work along
Or are you satisfied
To only just belong?

Do you ever go to visit
A member who is sick
Or leave the work to just a few
Or talk about the "clique"?

Take time to think it over
We all know right from wrong
Are you an active member
Or do you just belong?

Nominations for Management Committee 2005/2006

Past president, Gord King will be heading up the nomination committee to fill any vacant spots for the upcoming 2005/2006 Probus year. In addition to Gord, the committee consists of Bernie Rosebush and Pat DesCote.

If you feel that you can contribute your time in some way to help your club please speak to a member of the committee.

Apart from the position of Vice-President all positions call for only a one-year commitment that can be extended if desired. The position of Vice-President assumes a three year commitment, first year as Vice, with the second year as President and the third year as Past-President. This three year commitment tries to ensure continuity of the Management Committee process.
