President's Message:

National News

From all reports "Rendezvous 2005", held in September, was a great success. There were over 350 attendees including 25 from Australia.

Probus Members from Prince Edward Island to Victoria, British Columbia made up the rest.

It provided a venue for camaraderie at national and international levels which was the intent. It is hoped that this event will continue on a biennial basis.

The Local Scene

Welcome to a new sister-club based in Trenton. A start-up meeting has already taken place and now they await their charter from Probus Centre-Canada. Best wishes and great socializing from Brighton Probus Club.

Probus "Snow Birds" will soon be flying away. Safe journey and enjoy a great winter season in the warm climes of the far south!!

An information article of note in this newsletter is under the heading "Club Interest Groups". This is a compiling of the interest groups and the contact persons that operate under the Brighton Probus Club umbrella. It has been included to help you, the members, know what is available and if you wish to join, who you should contact. Further to this, if you have an interest and would like to start a group please make your idea known. You may be surprised at the following that awaits you.

Grist For The Mill

"One of the greatest lessons to be learned in life is not to do what one enjoys, but to enjoy what one does." Now, don't we all enjoy the Probus activities organized for us? Yeeeeees! Thank you to all the organizers on our behalf.

Bernie Rosebush
