President's Message

Welcome to an invisible Spring! The calendar tells us that it's here, but the weather hasn't got the message yet. Let's think Spring - it may happen.

I found the following on the internet and thought it may be of interest to you.

The Probud Song

Words and Music by George Main.

Now that our youth has long since passed,
Life is less urgent, not so fast,
We've time to sit and think at last,
How best to serve our lives.

Join us at PROBUD, meet with your friends,
Relax and be happy as Nature intends,
With such good companions your life-style extends,
PROBUD - the club for you.

Life does not end at sixty-five,
We aim to show we're still alive,
We'll prove that we've not lost our drive
Or our will to serve.

Join us at PROBUD, the time will speed by,
Revive your ambitions and reach for the sky,
You may not succeed but at least you can try,
PROBUD - the club for you.

Music is also available if you are interested.

Celia Miles
