Dear Fellow Probians;

June has been a great month for Probus Port Hope. We had an excellent program June 7th with our Air and Sea Cadets and their Officers. We were all impressed by their enthusiasm and dedication-great positive examples of youth in our community.

The second meeting was our annual picnic on the Adamson's beautiful lake front grounds. A very special thank you to Jim and Merle and their family for their gracious hospitality. Also kudos to Vern, Judy, Mysie, Jim G. and Merle-The Picnic

Committee, and special thanks to those who organized the games and set up our sound system. We had 112 including guest in attendance. Thankfully, the rain held off so we were able to enjoy the fun, food and fellowship.

The Northumberland Council held a meeting on June 17th. The 6th Club barbeque is definitely a go for August 11th and promises to be lots of fun. If you don't have your tickets they are still available from Special Events.

The Management Committee has nearly completed the review of the Constitution, By-Laws and Procedures. These will be presented to the club at large shortly for ratification.

As we enter the summer season please be vigilant on the roads and around water. I wish everyone a pleasant summer.

Betty

June 7, 2005 Sea / Air Cadet Presentation

Sea Cadets	
Senior Officer	Diane Kukavica
Cadets	Britney Ashby Brenda Bowcock
Air Cadets	
Senior Officer	Bill Mion
Warrant Officer	Stephen Thompson

Cadets is a federally-sponsored program for young Canadians ages 12 to 18 who are interested in participating in a variety of challenging and rewarding activities.

Cadets are encouraged to become active, responsible members of their communities. They learn valuable life and work skills like teamwork, leadership, and citizenship. Cadets also reap the personal benefits of increased self-confidence and physical fitness, learning how to take initiative, and how to make decisions. Cadets make valuable contributions to Canadian society on a daily basis in terms of environmental, citizenship and community activities.

There was little doubt that the 3 cadets who made the presentations had learned much from their experiences and each showed a great deal of self confidence.
