Dear Fellow Probian;

The May 24th weekend has come and gone. This usually announces the start of gardening and cottage season. We have many avid horticulturists in our club and we hope they have a great season. It's a lot of work but also provides them with a great deal of satisfaction to see the beautiful results of their labours.

Wes and Mary Harrison are moving to Winnipeg. I understand they are from that area and have family that will be nearby. We wish them the best of luck, health and happiness as they move to their new home.

Our Annual Picnic will be held on June 21st at Adamson's beautiful lakeshore property. The cost for members is \$7.50 and guests \$15.00.

Tickets are available at the Special Events Table. Please purchase the tickets as soon as possible so we can advise the caterers.

We have been invited to visit the Alpaca farm on June 22 at 10:00 a.m. There is no cost for this visit and we provide our own transportation. Eileen will have maps and further information available at the picnic.

The Management Committee will review and update our Constitution Bylaws and Procedures at a special meeting and once any changes or corrections are made they will be presented to the membership at large for ratification.

I am looking forward to many fun and interesting meetings and events this summer.

Sincerely,
Betty Collins
