### President's Message

Here we are again with that 'Lazy Wind,' you know, the one that goes right through you, too LAZY to go around you. However, I heard a lot of birdsong in the backyard a few days ago, and where there is birdsong could Spring be far behind??

We will soon be outdoors looking for new growth on our shrubs and trees, itching to be putting in Annuals and Perennials, but try not to get to the back of the book too quickly because Spring has a habit of changing back to Winter just when you least expect it.

Enough of my ramblings for now. I would like to remind you that, to finish up our meetings properly, we should have an Adjournment, so, after the speaker has finished the presentation please stay in your seats for a few more minutes so we can say the Magic Words "This meeting is adjourned". Thank you.

Sincerely.....Dede

### Today's Programme

Major Phil Baker, Base Construction Engineering Officer will give us some information about all the construction and changes at the Base

**DAYLIGHT SAVINGS BEGINS ON MARCH 8, 2009**
