President's Message

I'm writing to you on this, the first day of Spring Two Thousand and nine (2009). There are robins about and little green daffodil shoots coming up in the garden. We just have to be patient a little longer.

At the last meeting I announced that we were changing our venue and the April 22nd meeting and those thereafter will be held in the new Community Centre next to the arena in a brand new building with NO stairs to climb, plenty of parking and the doors can be opened easily, there are lots of windows letting in the sunshine, and an added bonus is that the microphones work and computers can be plugged in for the People who present those nice informative talks. I am sure you will all love the meeting place and I would like to thank David Lawler for the "Heads-Up" letting us know the room was available.

THANK YOU DAVID !!!

Oh yes! My want-ad in the last Beacon. I am grateful to the Person who volunteered to help out as Secretary for the months that Linda will be away, especially so because she has put in a lot of time in the past in a very responsible job for the club. It seems that the same people volunteer over and over again to help keep the Probus Club running smoothly

Please put on your thinking caps, it will soon be time to think about our yearly elections.

SincerelyDede
