Vice-President's Message

As I assume the interim responsibility of presiding over the operation of the Brighton Probud Club I have become very much aware of the contributions made by those who have held the position in the past, and of the contribution of all committee members, past and present.

Probud Clubs have become an important part of the social life of many area communities, ours included. As one of our members you can enjoy and contribute by getting involved in one or more of our activities, and your enjoyment will increase as your participation in Club activities increases. The members who plan and implement those activities deserve your support.

Today we have a World War II Veteran, Mr. Art Sherwin, who played a role in The Great Escape - not the movie but "the real thing"! He wasn't one of those who escaped, but he helped dig the tunnel, kept watch and assisted in other ways with the escape. His story should be very interesting.
