## President's Message

We are fast approaching the month in which we honour our country's fallen. It is on such occasions we reflect on world conflict and the weaknesses in human nature. Why can't "we" and "they" live and let live? Members of our club have the benefit of hindsight not often enjoyed by younger persons: which qualifies at least some of us to speak out strongly on the foolishness of human conflict. Help those sleeping beneath the poppies to rest in peace.

Chris

## **Note from your Treasurer**

This note is to respectfully request that we all be considerate of our fellow members who have responsibility for handling monies for our Probus Club.

When you are writing a cheque, please ensure that it is dated properly, that the body and figures agree and that it is signed.

When you pay for your morning refreshments or 50/50 draw, try to bring the appropriate change. If 3 people come with \$20.00 bills first thing in the morning, the 3rd person is out of luck because our "float" is just \$50.00. Also, if many people pay with dimes and nickels, it is time consuming and there is a greater chance for errors when counting the coins.

Your consideration will be greatly appreciated.

Liz Riel, Treasurer
