President's Message

Dear Brighton Probud Members,

This is the last opportunity for me, your outgoing President, to tell you that you are a great group, and I have really enjoyed this year of being your President. Now I will have a new role, that of Past President, and I am sure that it will be just as rewarding.

As you know, Chris Hart will be your new President, and I hope he finds it as enjoyable as I have.

Our Trip to Quebec City was a wonderful experience, those members who couldn't participate for whatever reason, missed a really good time. June Lagalisse and her helpers did a fine job of having everything well organized. Hopefully, we will be able to run another trip next year.

That's all folks!

SOCIAL EVENTS:

We are happy to report that during the summer, three successful events took place. The Brighton Probus Club's Annual Picnic in July was enjoyed by members and guests. The day out in Port Hope for lunch and the show "Guys & Dolls" was great fun. The 5-day trip to Quebec was thoroughly enjoyed by all.

A Big Thank You to June Lagalisse

For those of us (30 on the bus) who were fortunate to travel with June to Quebec City and Tadoussac at the mouth of the Saguenay River, we had a trip of a lifetime. The weather was great, the scenery was superb, and accommodations were excellent, the guided tour of Quebec City was very informative and we had several stops to walk around and take pictures. The whale watching on the Saguenay and in the harbour at Tadoussac excited us. Our driver and guide from Franklin Tours were first rate, so what more can we say?

June and Franklin Tours did a great job putting together a memorable 5 days for us. For the other 120 members who didn't join us, you don't know what you missed, so next year if we are fortunate enough to have another great adventure arranged for us, make sure you give the trip some serious thought.

It takes a lot of hard work and planning to put a tour as good as this together so THANK YOU to June and the programme committee.
