## Games: Fun: Song

Our Northshore club had a major change on May 14th. Instead of a speaker a group of men, spearheaded by the creative minds of Doug Weldon, Art Seymour and Charlie Girard, presented a fun program of games, comedy and song. Art and Yvonne Seymour, pictured below provided the instrumental accompaniment for the Northshore Probust Chorus. Charlie Girard was the masterful MC while Louise Weldon led the group through a great game of Scategories . More pictures on pages 4 and 5

### Important notice re July 3rd Meeting .

The Management Team has been negotiating with the Lions Centre about costs for next year. The Team will be presenting a recommendation for your approval. We would like to have a majority of members present in order to make a clear decision. Please make every effort to attend.

# Trips and Tours

1. The earliest I could book **The Musical Cats** is Sunday, Dec. 1st. for the 1:30 pm matinee. (The show does not start until Nov. 27 at 8:00 pm) The approximate cost will be about \$150-\$160 per person for bus and show.

Due to the time of year I would prefer not to stop for supper in Toronto but to come straight back to Cobourg and make arrangement for a meal here for

those who wish to eat out. This you would pay yourself.

This would be a great Christmas gift for someone on your list...even grandchildren.

Sign up sheets will be ready for July 3rd with \$100 deposit that will be cashed immediately.

All cheques will be made to **Probus Northshore**. I need to send the first payment installment to Mirvish by July 15th.

2. July 3rd is the last meeting before the July 24th 4th Line Theatre production. All money (\$39.00) must be in by this date. If you are attending the August 20th show and could give me your cheque, I would really appreciate it also as we do not meet in August. Otherwise you will have to deliver your cheque to my home at 711 Burnham Street on the corner across from Notre Dame Catholic School.

## Points to Ponder

My mood ring is missing and I don't know how I feel about that

Dogs can't operate MRI scanners but cats can

Is Irony the opposite of wrinkly?

The problem with political jokes is that they sometimes get elected

Turning vegan would be a big missed steak

Life is short. If you can't laugh at yourself, call me, I will
